MONTHLY NEWSLETTER
February, 2009

President's Corner

A lot of activities are being reviewed and more information will be coming in the next couple of months. Work has taken place on the 5-stand area and will continue. Re-opening of this area is forthcoming and some special events will take place for club members and invited guests. All gate and door combinations will be changed on March 1, 2009 so continue using your old number currently. With the cold weather lately, shooting has taken a back seat to drinking coffee and cookies during the morning hours. Some great conversation can be had as you sip on that hot coffee. We have some new members baring the cold weather to shoot both skeet and trap, so lets all get out there and throw some shot out on the field. I think Mike Proctor and Tim Bart are getting hooked on shooting birds with our group and are challenging many of us. We welcome all newcomers to join in the fun. If you have not shot before, just come out during the assigned shooting hours and we will spend time working with you. Also, if any of the membership is interested in re-loading, several of our group can help you out. See you at the club (Pat Kendrick 337-1477)

Membership renewals:

As Pat mentioned above, the combinations to the BSC will be changed on March 1, 2009. I have included an abbreviated membership form on the back of the newsletter for those members that haven't renewed their BSC membership. Member forms are filed in a notebook, so please do not tear off any portion of the newsletter before mailing the form.

Component Sales:

Bill Powers is having some health issues and is looking for a replacement to handle the component sales. Bill will provide his replacement with excellent training and assistance until the transition is completed. If you are interested in taking over the component sales for BSC, please call Pat Kendrick 337-1477.

Rifle Range Help:

Jerry Stapleton will no longer provide maintenance for the rifle range. Jerry has done a wonderful job in improving and maintaining the range. Thank you very much Jerry. If you are interested in volunteering your time to maintain the rifle range, please contact Pat Kendrick 337-1477.

CCW Classes:

The next CCW Class held in the BSC Clubhouse Saturday, March 21, 2009. Sign-up forms are available on the shelf in the BSC Club House. Forms may be mailed to BSC or left in the box in the club house.

Rifle/Pistol Range:

The board of directors voted to close the skeet/trap fields the weekend before Deer rifle season. This will allow the hunters in the club additional time to sight in their rifles. The rifle range will be available both Saturday and Sunday from 8:30 until dark.

Bulls-eye Shooting League Meeting:

There will be an informational meeting at the BSC Club house for individuals interested in shooting in the Bulls-eye pistol league on February 23, at 7:00 PM.
