

BARTLESVILLE SPORTSMEN'S CLUB

MONTHLY NEWLETTER
January 2009

President's Corner

Gone are the holidays and the 2009 year is upon us. Remembering to change the year on letters and checks is cumbersome for a while until the brain realizes how time quickly passes us by. We lost some valued members last year and hope this finds everyone healthy. It is great seeing Jeff Gordonwood back to his skeet shooting. Remember Jeff, save us some birds and shells with your new handicap. I will be watching!!!!!!! As mentioned in last month's newsletter, a group was formed to assess the future usage of the 5-stand area. We are looking at improvements in this area, but before we spend the time and money we need to determine usage and responsible club members for the upkeep and operation for this shooting discipline. Jeff Freeland, Troy Sielsky, Deb Crume, Jack Archer and Bill Powers will be asking for your information concerning this area. Please discuss with them any input you may have.

Memberships:

Membership forms for 2009 (new and renewal) are available in the clubhouse. I have also included a renewal form with this newsletter. We are sending out new shooting schedules with the membership cards. The new gate combination will be changed on March 1, 2009 and combination is on the reverse side of your membership card. Please remember the 2008 number as it will still be good for a couple of months.

CCW Classes

The next scheduled CCW class will be the Saturday following St. Patrick's Day, March 21. Bill Powers will have more details in next month's newsletter.

Bulls-eye Pistol Shooting League

The club is looking into a new type pistol shooting league. The Bulls eye Pistol Shooting league will be for all BSC members from children to adults. It is one handed pistol shooting with light-loaded ammunition, shooting at targets around 50 yards away. More information will be forthcoming in the next newsletter. In the mean time, you can read up on this type of shooting at the bullseyepistol.com website.
