MONTHLY NEWSLETTER
November, 2008

President's Corner:

National elections have come and gone. A lot of talk is taking place on the impact the new President and congress will have during the next few years concerning the right to bear arms and what effect it may have on shooting facilities. Being a member of the NRA is one way that gun owners can fight to keep our second amendment working and allow us the right to possess and carry firearms. On the same note, we will be having our yearly meeting on Tuesday December 9th. This is open to all members of our club and we will be voting on the officers and board of directors positions. In addition, updates on financials, past accomplishments and new goals will be discussed. Please make every effort to come and be an active participant in this meeting. Location and time will be included in this newsletter. (Thanks and see you around the club. Pat Kendrick 337-1477)

Annual Meeting:

The Annual BSC Meeting will be held Tuesday December 9th (7:00 PM), at the Town & Country Christian Church, 616 NE Washington Blvd, Bartlesville (North 75 across from the Phillips station / next to the Bartlesville Masonic Lodge).

Rifle Range:

Target stands are being destroyed on the rifle range. It appears that members are shooting shotguns at the targets. Shotguns (except for rifled slugs) are not to be used on the Rifle or Pistol Range. Reminder, there is a shotgun patterning board by the Archery Range. Also, please follow the posted start and end times for the rifle/pistol range.
