The Carl Thompson 100 was held on June 3. Sixteen members came out to take a "shot" at winning their share of the two flats of Remington .410 shells that Carl provided for prizes. With sixteen shooters, our Lewis class consisted of two classes. The top scorer in each class was awarded 4 boxes of shells, the second place finisher got 3 boxes of shells, the third place winner got 2 boxes and the fourth place shooter won 1 box of shells. Dave Chancellor topped all shooters with a 97 and will have his name added to the permanent trophy. A complete listing of shooters and their scores:

A BSC members only conceal carry class was conducted on July 29th by our own Mike Miller. There were 11 class members and all passed the course.

BSC offers occasional conceal carry classes to our members when there is enough interest to build a class of 8 to 12 attendees. To get your name on a waiting list for the next available class, please send an e-mail to webmaster@bartlesvillesportsmensclub.org. When we get enough to fill a class on the waiting list a date will be scheduled and attendees will be notified of date/time.

Reminder of BSC rules due to some recent issues ...

- There is no shooting wildlife on BSC premises even if the animal is considered a nuisance species
- Rifle/pistol range – only one target per target frame
- Rifle/pistol range – stay behind red line (on floor) during lights/siren unless you are on the range
- 30 MPH on Young Street
- If you are the last to leave the clubhouse or club property ... LOCK IT UP

If you have been to the pistol range this month, you have noticed BSC has new pistol gong targets! The new targets consist of two horizontal stands of 6 targets each (resettable by rope pull without going on the range), a vertical competition 'swing gong' style target for competition between two shooters, and the 50 yard range has graduated width targets to challenge even the most skilled shooter.

Special "Thanks!" to Nick Hughes and his assistances for installation and to Jerry Stapleton for dirt work in preparation for the supports.

Deer season is just around the corner!

Reminder that the rifle range gets congested in October and early November sighting in rifles. Suggestion to avoid the congestion is to sight your rifle in "Sooner" than later.

If you do wait until nearer season, please have patience with other members during the more congested times later this fall.

Famous person quotations on guns:

Arms discourage and keep the invader and plunderer in awe, and preserve order in the world as well as prosperity ... Horrid mischief would ensue were the law-abiding deprived of the use of them. – Thomas Paine

Laws that forbid the carrying of arms ... disarm only those who are neither inclined nor determined to commit crimes ... Such laws make things worse for the assaulted and better for the assailants; they serve rather to encourage than to prevent homicides, for an unarmed man may be attacked with greater confidence than an armed man. – Thomas Jefferson

To conquer a nation, first disarm its citizens. – Adolph Hitler in 1933

This year will go down in history. For the first time, a civilized nation has full gun registration. Our streets will be safer, our police more efficient, and the world will follow our lead into the future! - Adolph Hitler in 1935

But if someone has a gun and is trying to kill you ... it would be reasonable to shoot back with your own gun.
– Dalai Lama

There is NO components orders in September! The next component order deadline is October 10th.

The 5-Stand range is up and operating ! Scheduled times are Wednesdays at 6 PM and Sundays at 3 PM. There will soon be improvements to that area as we are continuously upgrading the club facilities.
