**President's Corner:** The Spring Picnic and shoot was a success. Cold weather made us all shiver a bit, but we had lots of good food to warm the day. Thanks to all the members for bringing their special dish, and Carl for cooking the ribs, and the board members for their help. The all-around shooting champion for the shoot was John Straw.

Good news. The 5 stand is up and running because of some hard work by Randy Wadsworth and Dave Lakey. We also will be moving the Wednesday night 5 stand shooting to Tuesday night starting in July. The Tuesday Skeet group will continue to shoot on Tuesday night and use the East field.

The board is also in the planning stages of a new Youth program that will have its first session this fall. See you at the club. Mike Proctor President

**Rifle/Pistol Range: REMINDER . . .** No shotguns or shotgun pistols (Taurus Judges) allowed on the rifle/pistol range unless members bring their own target and target stands. Target stands are being destroyed and are costly and time consuming to replace.

**Tractor:** There has been a rumor circulating that the Club is going to sell our tractor and buy another lawnmower. I don't know where this started but the Board has not discussed this at any of our meetings.

**.22 Tactical Matches:** The May 22 Tactical Match was won by Jim Cable (by a wide margin) (amazing how your score increases when you shoot your own targets☺ . . . followed by Steve Little and James Justus.

Good conditions with a tricky breeze were in store for the 3rd 22 Tactical Match held June 4th. The match was won by Steve Little followed by Jim Cable and Jim Baker. The next match in the series is scheduled for July 2nd.

**Military Matches** Neil Stamper swept both matches in the May Military Bolt Action and .22 Trainer competitions. Norm Cantrell's outstanding group in .22 Trainer match spoiled Neil's winning every leg of the matches. The next match will be a .22 Trainer match followed by a Military Semi Auto match on Sat Jun 18th beginning at noon at BSC.
