May, 2012

President's Corner:

We have moved the **ANNUAL SPRING SHOOT and PICNIC** to June 2nd. This is always a fun time for all our members so hope to see you there. **See details below.**

We have had a Wednesday night show up and sign up shoot which has been a lot of fun. Billy Pierce has provided a quick dinner and some organized competition shooting at the skeet ,5-stand,and trap fields.

New improvements at the club include new Skeet machines at the west skeet field and the purchase of a new mower.

The new skeet machines match the brand of our east field and our new mower is of the same make we currently own. This will improve the performance and the maintenance of the clubs equipment and the additional mower will speed up the mowing time. Our volunteers mow around the shooting hours to keep the shooting ranges open 7 days a week. Thanks guys.

See you June 2nd. Mike Proctor

Spring shoot / Picnic: The annual spring shoot and picnic will be held June 2, 2012. This year we will have shotgun competition in the morning beginning at 9:00 AM. Lunch will begin at approximately 12:00. Sign-up sheets will be available in the clubhouse. Drinks and meat dishes will be provided by the Club. We ask that our members whose last name begins with A thru J bring a vegetable dish to pass and those members whose last name begins with K thru Z bring a dessert dish to pass.

.22 Tactical Match: The first 22 Tactical Match of the year was held Saturday May 5 after being rained out in April. Conditions were slightly gusty which is normal for this time of year. J. Cable resumed his winning ways with N. Cantrell in 2nd place and S. Little in 3rd. Next match is scheduled for June 2.

BSC Monthly Rifle Match: What a great day for rifle shooting mild temperatures and slight breezes. I have attached the results for the March 17 and April 21 matches. Norm Cantrell swept the Mar 17th .22 trainer and military bolt action matches. Good shooting Norm! Neil Stamper finished 2nd in both matches. The April 21st match included our first Open .22 match and some of the .22 tactical match shooters joined us and took the top2 spots. Jim Cable won the match with Steve Little finishing 2nd. 2nd place was hotly contested, the 5 shooters behind Cable were separated by only 6 points. Great match, hope to have more shooters next time. The M1 match ended in a tie between Barry Walling and Neil Stamper. They both shot 267 with 2 x's. The next match is a Military Pistol followed by Military Bolt Action Rifle on May 19th beginning at noon. Military Pistol is any pistol (semi auto or revolver) that was issued by military of any nation; M1911, CZs, Mausers, etc. No civilian clones. Call or email me w/questions.
