FOUND ... There is a pair of black, cylinder style keys (Homak brand) hanging on the east bulletin board hoping their owner will claim them soon. They were found in the club parking lot during the spring clean-up on April 7-8. Internet search says Homak makes truck tool boxes and gun safes so if you haven't been able to get your tools or guns, LIFE HAS BEEN ROUGH THIS LAST MONTH!

IF YOU ARE THE LAST PERSON LEAVING A BSC BUILDING OR PROPERTY, PLEASE LOCK IT UP!

Please observe the 30 MPH speed limit on Young Street to BSC. It is baseball season and there is increased congestion on the street so be alert and aware.

Well, the 2017 Coon Creek Open is in the books. Wow, what a gorgeous day we had to shoot skeet. It couldn't have been any better, even if we'd paid extra. Before addressing the details of the shoot, a word of thanks is in order. Many thanks go to Jim Cable, Jeff Freeland and Gerald Smith for staying all day and keeping the traps filled so the shoot could progress smoothly. John Anderson served as cashier and "gofer". I hesitate to start mentioning names of BSC members who helped close up the houses, police the fields of hulls and put tables away. Suffice to say, it was a team effort. I say it every time I write one of these shoots up, but it remains true: Fellows, the shoot could NOT have run without you.

We had 25 shooters in the 12 gauge event. David Chancellor and Andy Schuppert posted 99's and after a short shoot-off, David emerged as the gun champ.

The 20 gauge event saw 18 shooters take to the fields. Robby Robinson won the event outright with a 99 and David Chancellor was runner-up with a 96. A full report of events is posted in the clubhouse.

Regards, Russell Smith
