MONTHLY NEWSLETTER October 2011

President's Corner

The fall cleanup was successful with several projects being completed. Thanks to all the members that took time from their busy schedules to come out and help us.

Our annual fall Picnic was quite a success with lots of fun competition at the shotgun and pistol range. The winners of the Carl Thompson 410 fun shoot were Claude Wisinger in the Registered Class and Mike McClintock In the Nonregistered Class. As usual, the side dishes prepared by the members were delicious. Is it just me or do the side dishes get better every year?

Five stand shooting has become very popular on Wednesday and Sundays for many new and longtime members, so come give it a try. Your President Mike Proctor

Rifle Range: The target stands have been getting shot up and destroyed at an alarming rate. Please, try to be more careful in your target placement and shooting. We have purchased several more target backs for the range and need a few volunteers to help rebuild the target stands. Volunteers can contact Joe Simon at (918) 534-6702, or any board member. We will schedule a time in the near future for this task.

Youth Shooting Team: The BSC youth shooting team is recruiting for the 2011-2012 Air Rifle season. Openings are available for youth 11-18 years old that are interested in position air rifle competition. We practice and shoot matches from November to April on an indoor 10 meter range. The club provides the guns, equipment, and ammo. We attend at least two matches per season including the Sooner State Games and the Oklahoma State Championship match, our teams have won the State Championship 6 time in the last 12 years and currently holds the title of the Oklahoma State Club Position Air Rifle Champions. Participation includes the NRA Rifle Shooting program of safety and general rifle knowledge. In the off season we shoot target pistols, small-bore rifle, and shotgun sports. For information please contact the coach Jim Herndon, 918-534-0579 herndon@bartnet.net.
