MONTHLY NEWSLETTER
October 2012

Secretary's Corner:

The fall cleanup was successful with several projects being completed. Thanks to all the members that took time from their busy schedules to come out and help us. It is great to see so many members helping out.

Our annual fall Picnic, despite the cold weather, was quite a success with lots of fun and competition at the skeet and 5 stand ranges. The food as usual was AWESOME !!! Thank You to all those that brought side dishes and desserts to share.

Skeet: Sorry I must keep you all in suspense . . . but I haven't received the final results of the 410 shoot.

5 Stand: There were 28 shooters enjoying the Make A Break shooting at the 5 Stand Range. A good time was had by all of the shooters and most of the spectators as well. Of course, with any completion, comes a whole bunch of good natured kidding. I must say that there was a significant amount of it going on. According to one of our shooters he wanted the club to know that the father son shootout was won by John Anderson (I guess this means that John finally beat Bryan). We have had great support by club members and lots of hard work went in to getting the 5 Stand and Make A Break facilities looking really good. Thanks to Randy Wadsworth and all of those members who have donated or showed up and helped with the work. Several people had never seen the game and they seemed to really enjoy the game and we had a lot of good comments.

Archery Range: As you archery shooters may have noticed, we now have new targets and target backstops (bales). The range is in good shape and I encourage all of our archers to try it out. Randy Henton has been busy replacing the old bales and targets. Randy, thanks for your help we really appreciate it. A big thank you also to Fred Pocock for selling us the target bales he had set aside for the Bartlesville Archery Club Range. Please remember, no broad heads should be shot at the Club targets. If you wish to sight in your broad heads, please bring your own target and backstop. Thanks Joe Simon
